

Muffins anyone?

These look amazing!

**Busy making Viking
Rune Stones! Creative
teamwork, well done!**

Well, the time has certainly flown past this term! We have welcomed new students into our community, and in every area of the school our young people have been working hard to be their best selves. We are very proud of them all!

There has been lots of creativity going on across the site with art being used for therapy, fun, NCFE certificates, Arts awards and ASDAN life skills qualifications – very impressive.

Our young people continue to amaze us with their developing resilience and teamwork skills. This has been particularly noticeable in the whole-school taskmaster challenges where there have been some brilliant participation and end results.

There has been great success in the Panathlon held at Hollywood Bowl in Taunton with both teams achieving medals for team spirit and high scores and we have had fantastic engagement with our second group working with the amazing charity <https://www.on-your-bike.co.uk/>

We have been really pleased with the number of young people whose attendance had gone up this year. We have had some excellent progress made in reading and spelling for those that have attended all their sessions – it really does make a difference!

We hope your child has a relaxing half term break. If you are in need of support, please refer to the pages at the back of this newsletter.

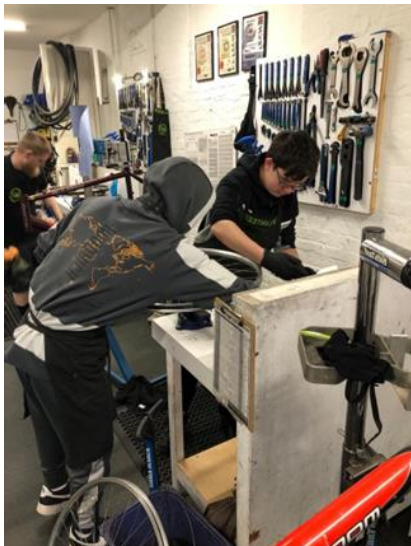

Thank you once again for all your support in helping your child fulfil their potential. We return to school on Monday 20th February.

Jelly Bean tasting and excellent group work from Woodpeckers today in Art – they are working to create 3D sweets in the style of pop art. Great Work!

Our next group of young people have started work with the brilliant charity <https://www.on-your-bike.co.uk> Thank you to all involved

**Important life-skills are learnt helping to put up their class noticeboard.
